# Hear your world... don't miss another precious word!

## Services Offered

North Queensland can now depend upon having a world-class hearing health company at their service. We are an independent clinic enabling us to access the latest hearing technology...

- Latest Award Winning Digital Hearing Aids
- Personal Support and Rehabilitation Program
- Comprehensive Hearing Assessments and Medical Reports
- Industrial Deafness Compensation Tests
- Hearing Health Checks
- Hearing Conservation Ear Plugs for Musicians, Motor Bike Riders, Shooters and protection from Industrial Noise.
- Swimmers' Ear Plugs
- Custom designed Ear Plugs for iPods etc
- Alternative Listening Devices for; Telephones, T.V, Radio, Music, Meetings etc
- Repair Service for all brands of Hearing Aids
- Pre-Employment Hearing Tests
- SCUBA Diving Hearing Assessments

**Our goal is to provide the clearest, most natural hearing possible based on each person's needs and budget.**

## We Can Help You!

All clinicians are members of the Australian College of Audiology  
(The Magees photographed here with family  
Patriarch and Founder Member of ACAud, SM Bacon)

AudioHealth is a family owned and operated company with three generations of involvement in Hearing Health Care and "thousands of ears" of experience enabling us to deliver exceptional results. The Magees understand the importance of hearing and communicating with your loved ones and feel privileged to change lives so profoundly.

### **DONATE YOUR OLD HEARING AIDS AND MAKE A DIFFERENCE!**

Donate your old Hearing Aids to the Better Hearing Foundation, a non-profit making Foundation founded by the Magees and launched by Mr Roger Climpson OAM to support international projects for the underprivileged in third world countries.

## Did you know?...

'One in six Australians has some form of hearing impairment – it is more common than you think.\*'

### **Are you suffering from a Hearing Loss?**

Do you...

- Have difficulty hearing clearly when there is background noise present?
- Have difficulty hearing speech on a mobile phone?
- Turn the television volume up louder than others prefer?
- Have difficulty following group conversations?
- Have difficulty hearing the telephone ring?
- Often think that others mumble instead of speaking clearly?
- Often misunderstand conversation?
- Have difficulty hearing your grandchildren?
- Have a ringing in your ears?
- Have difficulty locating where a sound is coming from or the source of a sound?
