# Hear your world... don't miss another precious word!

## Did you know?...

'One in six Australians has some form of hearing impairment – it is more common than you think.\*'

## Are you suffering from a Hearing Loss? Do you...

- Have difficulty hearing clearly when there is background noise present?
- Have difficulty hearing speech on a mobile phone?
- Turn the television volume up louder than others prefer?
- Have difficulty following group conversations?
- Have difficulty hearing the telephone ring?
- Often think that others mumble instead of speaking clearly?
- Often misunderstand conversation?
- Have difficulty hearing your grandchildren?
- Have a ringing in your ears?
- Have difficulty locating where a sound is coming from or the source of a sound?

## We Can Help You!

The Magees photographed here with family Patriarch and Founder Member of ACAud, Sid Bacon

AudioHealth is a family owned and operated company with three generations of involvement in Hearing Health Care and “thousands of ears” of experience enabling us to deliver exceptional results. We understand the importance of hearing and communicating with your loved ones and feel privileged to change lives so profoundly.

All Qualified Practitioners are full members of their appropriate Professional Body, The Audiology Society of Australia (A.S.A.), The Australian College of Audiology (ACAUD), The Hearing Aid Audiometrists Society of Australia (HA.A.S.A.).

## New Products

Latest technology is our speciality and you can always be assured of having the very best to suit your hearing needs! NEW Hearing Aids with built in antennae so sound is streamed directly into your ears. No fuss just crystal clear sound.
